About this book and CD	3	Adding/subtracting	
Introduction		Teacher text	43
Teacher text	4	Student text	44
Student text	4	Teacher video transcript	45
Teacher video transcript	5	Student video transcript	45
Student video transcript	5	Interactive math	46
Interactive math	6	Supplemental activities	47
Supplemental activities	7	Converting	
Thinking Tools		Teacher text	51
Teacher text	8	Student text	52
Student text	9	Teacher video transcript	53
Teacher video transcript	10	Student video transcript	53
Student video transcript	10	Interactive math	54
Interactive math	11	Supplemental activities	55
Supplemental activities	12	Multiplying	
Decimals		Teacher text	57
Teacher text	14	Student text	58
Student text	15	Teacher video transcript	59
Teacher video transcript	16	Student video transcript	59
Student video transcript	16	Interactive math	60
Interactive math	17	Supplemental activities	61
Supplemental activities	18	Dividing	
Comparing/ordering		Teacher text	63
Teacher text	20	Student text	64
Student text	20	Teacher video transcript	65
Teacher video transcript	21	Student video transcript	65
Student video transcript	21	Interactive math	66
Interactive math	22	Supplemental activities	67
Supplemental activities	23	Imagination	
Improper/mixed		Teacher text	69
Teacher text	26	Student text	69
Student text	26	Teacher video transcript	70
Teacher video transcript	27	Student video transcript	70
Student video transcript	27	Interactive math	71
Interactive math	28	Supplemental activities	72
Supplemental activities	29	Sets of numbers	
Equivalent		Teacher text	75
Teacher text	32	Student text	76
Student text	33	Teacher video transcript	77
Teacher video transcript	34	Student video transcript	77
